

SEWN MITTEN PATTERN

for mama

SUPPLIES:

- sewing machine or needle & thread
- printed pattern
- felted wool, cashmere or fleece

DIRECTIONS:

1. Fold material in half, right sides together. Pin pattern on top of material & cut out. Repeat for second mitten. Mittens aren't directional, so no need to worry about reversing it.

2. Sew pieces right side together, leaving an opening at the bottom. If you're using a needle & thread, use dotted lines as a guide. If you're using a sewing machine, sew with a .25 inch seam allowance.

3. Cut small slices in excess seam allowance (see illustration) to allow for the curves. Be sure not to cut through the stitching.

4. Turn right side out.

5. Enjoy!
